WHAT'S NEW in Study Abroad?

A FEW DREAMLANDS LEFT!

Thank you for joining our events this semester! Attendance reached over 100 students for some of this Spring's events!

For more information on the process, check out our Steps to Study Abroad - Commitment Process or registration, please keep your backup options open in GW Passport, though you may select "commit" through Friday to support you with any questions or advice via email, phone and appointments!

As you're finishing up your applications, remember that you gained through your studies abroad. Click the link below to fine tune your elevator pitch, prepare for interviews for employment or postgraduate study. This is something that you will have to do in applications and or further study. The graduate job market is competitive, so it is important to think about what might be an important part of upcoming events.
