This pamphlet contains a brief summary of the features and benefits for insured participants covered under Policy No.BCS-3494-A-14. This is not a contract of insurance. Coverage is governed by an insurance policy issued to the George Washington University. The policy is underwritten by BCS Insurance Company, Oakbrook Terrace, IL, NAIC # 38245, under policy Form 28.322 (DC). Complete information on the insurance is contained in the Certificate of Insurance on file with the school. If there is a difference between this program description and the certificate wording, the certificate controls.
How the Plan Works

1. **Who is eligible for coverage?**
   GW students and their Eligible Dependents (together called the “Eligible Participants”) who are enrolled in GW sponsored or otherwise approved study abroad programs and who meet the following individual eligibility requirements:
   1.) Are temporarily engaged in educational activities outside of the United States; and 2.) Are temporarily located outside of their Home Country as non-resident aliens; and 3.) Have not obtained permanent residency status in their host country.

2. **When does coverage start?**
   For an Eligible Participant, coverage starts at 12:00:01 a.m. on the latest of the following:
   1.) The Coverage Start Date shown on each Eligible Participant’s insurance identification card; 2.) The date the individual eligibility requirements in section one above are met; or 3.) The date the premium and completed enrollment form, if any, are received by HTH Worldwide.

   Thereafter, the insurance is effective 24 hours a day, worldwide except whenever the Covered Person is in his or her Home Country. In no event, however, will insurance start prior to the date the premium is received by HTH Worldwide.

3. **When does coverage end?**
   Coverage for an Eligible Participant will automatically terminate on the earliest of the following dates:
   1.) The date the Policy terminates; 2.) The Institution’s Termination Date; 3.) The date of which the Eligible Participant ceases to meet the Individual Eligibility Requirements; 4.) The end of the term of coverage specified in the Eligible Participant’s enrollment form; 5.) The date the Eligible Participant permanently leaves the Country of Assignment for his or her Home Country; 6.) The date the Eligible Participant requests cancellation of coverage (the request must be in writing); 7.) The premium due date for which the required premium has not been paid, subject to the Grace Period provision; or 8.) The end of any Period of Coverage.

4. **What to do in the event of an emergency**
   All Eligible Participants are entitled to Global Assistance Services while traveling outside of the United States. In the event of an emergency, they should go immediately to the nearest physician or hospital without delay and then contact HTH Worldwide. HTH Worldwide will then take the appropriate action to assist and monitor the medical care until the situation is resolved. To contact HTH Worldwide in the event of an emergency, call 1.800.257.4823 or, while abroad, collect to +1.610.254.8771.
